Living in Yale Housing

Welcome to Yale Housing! We hope that this handbook will answer any questions you might have whether you are living in our dormitories or apartments. It is alphabetized according to each subject that you might have any inquiries about. We encourage you to go to gradhousing.yale.edu for most concerns or contact us at grad.housing@yale.edu.

Alterations to Your Unit/Room

You may not make any alterations to the unit/room without the prior permission of the university. University personnel and their agents are the sole providers who are authorized to perform alterations, maintenance or repairs to the unit, building, and grounds. If you have any questions, please call the Housing Office for clarification. (203.432.2167).

Appliances

Any unit/room equipped with a refrigerator and gas or electric range is the resident’s responsibility to maintain. The operation and maintenance of these appliances is relatively simple, however, if you have any questions, please call 203.432.2167. Dishwashers, washing machines, dryers, etc., are not permitted. Microwaves are not allowed in dormitories.

Automobiles/Parking

Parking is limited to certain apartment complexes: Whitehall, Mansfield & Esplanade apartments. Residents must provide a copy of their car registration to the Graduate Housing Office. Dormitory residents are not provided with parking. Street parking is provided to those with a resident sticker. Unauthorized vehicles or vehicles without a sticker will be towed at the owner’s expense.

For residents with more than one vehicle, or where parking is not available, contact Yale Parking and Transit at to.yale.edu or call 203.432.9790.

- New Haven Declaration of Personal Property: Motor Vehicles are subject to a local property tax, whether registered or not. If you do not register a vehicle but retain ownership, you must annually file a declaration form with your assessor between October 1 and November 1. Even if your car is not registered in CT, you may be liable for local tax if you operate it here. See New Haven assessors info and declaration form online at www.cityofnewhaven.com/assessor/declaration.asp. Location: New Haven Assessor’s Office, City Hall, 165 Church Street.
- Call your state DMV and ask them what to do if your registration is due for renewal.
- If you want to register your car in Connecticut, call the DMV office at 1.800.842.8222 to find out their office hours and what paperwork you need to complete.

**Bikes**

Bicycle racks and rooms are provided in or around our buildings for active use of bicycles, not long term storage. Bicycles left on racks for extended periods of time, or which appear to be unusable may be removed per University protocol and discarded. Do not store bikes within stairwells and corridors for safety reasons.

The University recommends:
- use of a u-bolt lock
- register your bike at to.yale.edu/bike-registration

**Billing**

Your rent and other housing fees are charged to your Student Financial Account. Dormitory fees are charged by the semester and apartments are charged at a monthly rate. Apartment rent is posted 30 days in advance except for the month of July. In July, you will be billed for July and August per university policy. Our office forwards the rental charges to the SFAS office where they are included on your monthly statement. Payments are made directly to SFAS. Questions regarding billing and special payment arrangements should be made at their office located at 246 Church St., 203.432.2700.

**Cleanliness & Pest Control**

If personal practices infringe on the rights of other residents, individuals may be required to maintain certain reasonable standards. Pest control, in particular, may require the cooperation of all neighboring residents. It is easier to practice habits which prevent problem with household pests than eliminate the pests once they appear! Call Yale Facilities at 203.432.6888 to report any pest issues. Please also notify the Housing Office know that you have reported a problem.

Appliances, kitchen floors, and bathroom fixtures should be regularly cleaned with a diluted mild detergent, floors require only regular vacuuming or sweeping. Water and cleansers will damage the finish. Specific cleaning questions may be directed to the Housing Office.
Common Rooms
There are common rooms in each building for social gatherings. Every resident has access to these spaces and equipment. Residents must respect established community standards regarding use of space.

Only residents and their guests can access common area rooms. Please reserve television time by posting requested notices on designated bulletin boards. Contact the Graduate Housing Office or your Resident Coordinator if you would like to reserve and use a common room space for a social or academic related function. Quiet hours must be observed in common area rooms.

At Mansfield, Whitehall, 68 Mansfield and Esplanade complexes, community rooms are available for resident use. Contact the resident coordinator at your complex to arrange for its use. There is no charge and arrangements must be made in advance. Responsibilities for using the community room: leave it cleaner than you found it.

Residents are not allowed to use commons rooms for private lessons and or personal business.

Contract Terms and Conditions:
The Terms and Conditions of Occupancy can be seen viewed at gradhousing.yale.edu/application-process/my-housing. It is a valuable source of information and you should be knowledgeable on its contents. All contracts will expire on June 30th. Vacating in advance may result in financial penalties. Please review your contract. We are available to clarify any questions you may have regarding eligibility, length of occupancy, cancellation, penalties, vacating, etc.

Fire Safety Codes
It is a violation of the State and Local Connecticut Fire Safety codes for belongings to impede entries and exits of residential housing. Therefore, it is essential that all bikes, strollers, shoes, toys, etc. be removed from stairwells and hallways and placed inside the unit or in alternate storage areas in your building.

Fire drills are randomly scheduled for all dormitories and apartment complexes. When the alarm sounds, everyone must vacate the building. It is not a matter for choice. The Fire and Police Departments are the only ones who can authorize the return to the building.
By law, each apartment contains both smoke detectors and carbon monoxide detectors. The Yale Fire Marshall’s Office is responsible for the correct operation of the unit and provides yearly inspections. If the unit “beeps” periodically, that indicates the battery needs replacement. Call Yale Facilities customer service at 203.432.6888 to report the problem. An employee of the Fire Marshall’s office will replace the battery. Do not remove batteries or tamper with the smoke detector! In case of a building fire alarm, vacate your apartment immediately.

**Furnishings**

All apartments are carpeted and have tiled kitchens and bathrooms. All windows have blinds on the windows. All kitchens have a gas stove and refrigerator. An overhead ceiling fan is installed in each apartment. For those residents who wish to install a personal air conditioning unit, please note the following: the unit must be purchased by the resident and cannot be any larger than 8,000 btus. Once you have purchased it, contact the Housing Office, and we will make arrangements to have it installed. Dormitory furnishing is provided and is not to be removed.

**Guests in Dormitories**

You may have a guest stay with you for a 3-day, 2-night period occasionally. All guests are to sleep in student rooms, not in common rooms or any other space outside of the student’s room. Keys are not issued to guests.

You must register your guest with the Housing Office. Please email grad.housing@yale.edu including your name, your room number and building, as well as the name of your guest and the dates of their stay. Failure to register your guests or complaints against a guest can result in loss of guest privileges. Guests should conduct themselves in a manner that is respectful to the other residents. It is your responsibility to let your guest know about the campus regulations and housing expectations. Guests should not be left in student rooms and buildings when their hosts are not with them.

**Gym**

There are a few small gyms located within our buildings. Please contact the housing staff if you have questions about location or access to the gyms located within the residence halls.

*Exercising has risks and you should consult with a physician before starting an exercise program. Become familiar with the equipment and techniques.*
Yale is not responsible for any injuries.
1. Keep the gym clean and neat.
2. Proper attire including shirts and shoes are required.
3. Wipe perspiration off equipment.
4. Place all trash in receptacles.
5. Return newspapers and periodicals in their proper place.
6. Use a spotter when lifting weights.
7. Do not slam the weights down when putting them back.
8. Return all weights to their proper location.
9. No running permitted in the gym.
10. Keep sharp objects such as keys away from upholstery.
11. Do not provide access to persons not permitted otherwise in the gym.
12. Do not leave weights on bars.
13. Be respectful of all users.
14. Wearing of scrubs is not allowed in the gym.

**Keys & Lockouts**
Students who are locked out of their units can call Yale Security at 203.785.5555 for assistance to get into their apartment. If a student has lost their keys, please notify the Housing Office to obtain a set of keys. There is a fee for replacing each lost key.

Keywatchers lockout boxes are located in each dormitory. Please contact Yale Housing for your personal code to access them.

Lost ID cards must be reported to Yale Security at 203.785.5555. For those buildings which are card access, your lost card will be deactivated for safety reasons. You can obtain a new card from the ID offices on campus. There will be a fee for replacing your lost ID card.

**Laundry Services**
Card operated machines are located in each complex. Requests for the repair of washers and dryers should be made directly to Mac-Gray Co., by calling toll-free 1.800.622.4729 or online at [www.macgray.com/laundrylinx](http://www.macgray.com/laundrylinx). Please make note of the following guidelines:
- Please remove your clothes promptly from the washer & dryer.
- Be aware that leaving your clothes in the machines longer than necessary might tempt others to remove them for you.
- Do not remove other people’s clothes while the machines are still running.
- If clothes are left beyond the time the machines require, please treat others’ clothes as you would want them to treat your own. Give the person
a chance to retrieve the clothes or if necessary, please put them in his/her laundry basket or on the table.

- Please clean up after yourself! Make sure you recycle empty bottles, throw out any trash and clean lint traps. The tables and shelves are available for everyone’s use.
- Prices may increase from year to year.
- Payments for use of the machines can be done by credit card.
- A live feed of the usage of the laundry machines can be tracked on so that you know when a machine is free: www.laundryview.com.

**Mail Delivery**

Apartments: Residents receive mail through the U.S. Postal Service, delivered directly to an assigned mailbox or door slot at the street address.

Dormitories: Mail from the USPS is received Monday through Friday in all halls except HGS. Mail is sorted and placed in individual mailboxes each day. Only mail that has your name on it will be delivered to your box. Mail accidentally delivered to the wrong box should be placed in the “misdirected mail” bin.

It is the responsibility of each resident to notify the post office of a change of address. Contact Yale Station if you would prefer your own mailbox at 203.773.3454.

**Personal Property Insurance**

All residents must purchase renter’s insurance for a minimum of $2,500.00. For a relatively nominal fee, renter’s insurance may offer protection if your possessions are stolen or damaged. Information on obtaining student insurance is available at the Housing Office. Yale Housing reserves the right to purchase such insurance on behalf of a resident that has not provided proof of insurance within 30 days of move in.

**Planning to Vacate**

All contracts expire on June 30th each year. Early cancellation will result in penalties specified in the contract. Vacating information packets will be delivered to the resident at the 1st of the month indicated for vacating.

The vacating day stated on the Resident Survey will be used to schedule inspections in June. A vacating packet is delivered to each unit thirty days before departure. Instructions and responsibilities are outlined in the brochure.
enclosed. All units are inspected once and all decisions are final. Failure to follow through with vacating procedures may result in the partial forfeiture of the security deposit. Be sure to follow the checklist below before vacating your unit to avoid deductions from your security deposit.

Remove all your personal furnishings and belongings from your unit and storage area. The university reserves the right to dispose of these items without further notice. You are charged for removal of anything you leave behind.

- Remove all trash and garbage from units and storage area/basement.
- Refrigerators must be cleaned thoroughly inside and out, defrosted, unplugged and the door propped open.
- Clean your stove (also under burners) and oven removing all grease/oil build-up.
- Kitchen and bathroom countertops, and cabinets (inside and out) must be thoroughly cleaned with an all-purpose cleaner.
- Bathroom tile should be washed removing all soapy build-up.

- Walls, ceilings and trim should be free of dust and dirt.
- All nail holes in walls need to be spackled.

**Playgrounds**

Every year Yale University welcomes new students and their families to its housing. Therefore, so that the use of our playground facilities can be safe, social and most of all fun, observance of the following guidelines will certainly help to ensure just that.

*Please do*

- Pick up all toys before leaving the play area.
- Keep the playground gates closed at all times.

**Quiet Hours**

Always be respectful of others. Quiet hours are from 11:00 pm to 8:00 am; noise (voices, music, etc.) should be kept to an absolute minimum. At other times, courtesy hours are in effect—please respect any requests to limit noise that is affecting others in the community. Remember that noise travels from unit to unit. Parents should be aware that when children who live on any floor drop toys, run around, etc., the noise could disturb neighbors living below.
or above them. Problems should be discussed between residents in a friendly and open manner. Practicing musical instruments is not allowed in common areas or dormitory rooms.

**Recycling & Trash**
The university is strongly committed to recycling programs and sustainability. There are bins at all complexes which are designated for paper, cans, bottles and cardboard that are designated as central trash locations. Cardboard must be flattened in order to be collected. For more information about the University practices visit [www.recycling.yale.edu](http://www.recycling.yale.edu). Questions or concerns regarding these services should be directed to Facilities at 203.432.6888.

**Safety & Consideration of Others**
As outlined in the Housing contract, mutual respect and consideration are required. Personal property, such as children’s toys, should be stored in the basement or inside the apartment when not in use. Please be considerate of your neighbors whether they are next door, upstairs, or downstairs. Residents are encouraged to use area rugs on the hardwood floors to soften noise. Halls are not to be used for storage. The Yale Fire Marshall’s Office conducts random inspections and will tag items for removal.

**Security Deposit Deduction Charges for Dormitories**
Security deposits are refunded within 30 days of vacating. Full refunds will be posted to your SFAS account which in turn will send you a check. If damages or fees are noted they will also be reflected on your SFAS account. To avoid issues with unit conditions, schedule a unit inspection prior to leaving. Charges for non-compliance with the vacating standards are listed below:

**Cleaning Fees & Charges**
(The following costs are the minimum charges. These may be adjusted for various reasons depending on the severity of the problem. The cost for excessive cleaning will be charged according to material cost and hourly rates.)

Smoking
There is NO SMOKING in any campus building, including the residence halls. Please be aware of smoking around entrance hallways and open windows. Respectfully stand at least 20 feet away from entrances and exists. Use smoking receptacles to discard cigarettes and cigars. Any resident or guest found smoking is subjected to immediate termination of their housing contract.

Storage Areas
Many apartments have assigned storage areas. All items must be stored inside the cage/basement room, labeled with the student’s name and apartment number and locked securely. Do not store food items, valuables or flammable items in storage areas. It is recommended that items not be stored directly on the floor. Storage is not available at the Mansfield Apartments. Residents are not permitted to store belongings in the utility closet, where the boiler and hot water units are located. The university is not responsible for loss, damage or theft.
Each dormitory building has at least one storage area for residents to utilize to store a few of their personal items not able to fit into their rooms during the academic year, or during the summer, only if they are returning residents for the next academic year.

- All items must be boxed, labeled/taped with the resident’s name, room number, and year.
- No item larger than 2’x3’ is to be put in any storage room.
- No furniture, mattress/spring box or food is to be put in a dormitory storage room.
- Remove and discard ‘popcorn’ or peanut type packing material from boxes before putting them in storage. Flatten empty boxes or put them inside each other to maximize space.
- Be considerate of other residents’ items. Do not block or stack items that could damage their items or prohibit them from retrieving them.
- If there is no room to put your belongings in dorm storage, then you must use an off campus self-storage unit.

Periodic inspection and removal of any of the above items, non-labeled items or belongings of former residents will take place at any time by the Housing Staff and Resident Coordinators. Yale assumes no responsibility for items placed in storage; the Yale Housing Office mandates that you buy renters insurance.

Facilities: How to Use Our System

In addition to administration, the Housing Office is responsible for overseeing apartment and dormitory maintenance and repairs. Understanding how to use our system will help you to receive the best possible service. Residents are not permitted to obtain services from a private contractor.

Inspection Checklist
Each new apartment resident receives an information packet upon arrival. Included in this packet is the “Apartment Inspection Checklist.” All new residents are required to complete the ‘move-in’ section of this form and return it to the housing office within 5 days after moving in. The checklist allows you to report any repairs that may have been missed when your apartment was being prepared for you. It also allows you to document the apartment conditions. The checklist is also used by the housing staff as a guide when vacating. Any damages not listed on your checklist could result in charges. (See Vacating for more details.)

Reporting Maintenance Issues
There are two types of maintenance requests: Emergency and Routine. Emergencies include situations such as no heat or hot water, broken windows, power failure, lack of single light source, unsecured doors, flooding and stolen keys. Routine maintenance consists of non-life-threatening situations such as leaky faucets, appliance repairs, etc.

It is the residents’ responsibility to report all maintenance requests to the appropriate area. The numbers are as follows:

- Report all emergency requests to Facilities at 203.432.6888. Personnel are available 24/7 to assist you. If you suspect a gas leak, leave your apartment and call the Southern Connecticut Gas Company at 1.800.659.8299.
- Routine requests for maintenance should be directed to the Facilities website at http://www.facilities.yale.edu. Select ‘students’ from the left side menu.
- Problems with laundry equipment should be reported to MacGray Laundry Services at 1.800.622.4729 or online at www.macgray.com/laundrylinx. Password: yalebulldogs
- Issues with window blinds/shades can be directed to the Housing Office at 203.432.2167 or email grad.housing@yale.edu
If you think you have a pest problem contact Yale Facilities at 203.432.6888 with a full description.

**Custodial Services**

Apartments: Responsibilities include cleaning the common areas and hallways.

Dormitories: Monday through Friday services by our custodial staff include mopping the kitchen floor, emptying common area trash containers, common area vacuuming, and bathroom cleaning, including replenishing paper towels, soap dispensers, and toilet paper containers. Contact the Housing Office if anything related to common area custodial cleaning has been missed or forgotten for more than 1-2 days.

Certain buildings may receive brief weekend services to help maintain trash and bathroom products. On the weekend, if the trash bag gets full, please remove it and place it in the outside garbage dumpster. Extra bags can be found on the side or the bottoms of the trash cans.

**Gas Leaks**

If you suspect a gas leak, leave your apartment immediately and call the Southern Connecticut Gas Co. (1.800.659.8299) from a neighbor’s telephone. Also, call and inform the Housing Office of any problems (203.432.2167).

**Grounds Maintenance**

Responsibilities include trash removal, snow removal and landscape maintenance. Residents are required to place all trash in garbage bags before disposing in dumpsters.

**Heat**

When heat is included in the rent cost, the university follows certain standards of operation. All furnaces are turned on in the early fall and shut off in late spring. By law, all landlords must provide 68 degrees F minimum heat, the temperature recommended for comfort and economy. When leaving your apartment during vacations, be sure the thermostat is turned down but not shut off. Some heat is required to prevent the water pipes from freezing in cold weather. Thermostats are simple to use, but if you have any questions please call. Your conservation efforts are appreciated. If you should have a problem, please call Yale Facilities at 203.432.6888 and report the problem.
Pest/Insect Control
The university has a pest/insect control contract, which requires periodic treatment of all buildings for roaches. Additional extermination will occur as needed. Inform the Customer Service Center and the Yale Housing Office immediately if you observe any pest activity in your room or other areas. It will be addressed within 24 hours. Do not accept insect or pest activity in your room as normal. See page 7 for more information on this subject.
- Store rice and pasta products in seal-tight containers.
- Non-refrigerated food leftovers and fruit also attract other insects.
- Discard old and rotting food items in a timely manner.
- The pest control company will advise Housing of any resident rooms contributing to a problem; appropriate measures will have to be taken. Residents who do not keep their room clean enough to prevent or discourage pest activity can have their contracts cancelled.

Power Loss
When you lose power you should:
- Call the Yale Facilities control center at 203.432.6888.
- Unplug sensitive electronic equipment (computers, TV’s stereos, VCR’s, etc.).
- Keep refrigerator and freezer doors closed.

Yale Security offers the STOP Program National Registry for the lifetime of your laptop. Students can call 203.436.6736 for more information.

If you need assistance with a computer or networking problem, online help is available at http://www.yale.edu/its/stc. Student Technology staff can be reached at 203.432.5242 or email student.technology@yale.edu.
