All residents must comply with the following University policy:

- The Graduate Student must have a signed valid contract with Graduate Housing for term beginning July 1st.
- All advertisements (electronically or otherwise) must be approved by the Graduate Housing Office in advance. The University on-line database is available at http://offcampus.yale.edu to advertise your summer sublet opportunity.

- Multiple or consecutive subtenants are not permitted within the same summer time frame.
- Single students who reside in shared occupancy units must have their roommate’s signature on the sublet agreement acknowledging that they have been informed.
- The University student contract holder is fully responsible for monthly rent payments to their SFAS during the sublet term.
- The subtenant is to provide a security deposit to the Graduate Apartments Office to be held until the subtenant vacates and the apartment is inspected. The term of the sublet is to be paid in full to the Graduate Apartments Office.
- Utility accounts must remain in the original occupant’s name.
- The monthly sublet rent cannot exceed the current monthly rent plus 5% for utilities where applicable.
- The original occupant must suspend mail delivery during this time. Mail can be held at the Post Office or forwarded to your temporary summer address. Arrangements can be made at www.usps.gov.
