Hello everyone,

Just a couple of community reminders:

1) Please remember to lock your vehicles and do not leave any valuables inside.

2) Please check your heating and contact facilities with any issues.

3) Please respect our community’s quite hours, in effect from 10PM - 8AM.

4) There has been a raccoon who has been visiting our courtyard(s). Please keep the outside doors closed (even when you are outside) to keep the raccoon from sneaking in.

As always, if you have any question or concerns please don’t hesitate to contact us.
